

How could you even think of changing the rules without a widely advertised public forum? It seems like you are trying to pull a fast one over on the American public. I want rules in place that serve the public, rather than private, interest. I want the airwaves to be democratic, not partison. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules. Media needs to stay as diverse and unconsolidated as possible. Do not let big corporations take over the media.
